St. Michaels Art League 2010 Labor Day Art Show

Our location under the tent will oblige us to set up and take down all exhibits, paintings, tabletop items and displays each day. This will call for cooperation among all exhibitors to set up and dismantle our exhibits each day. This will mean that we (you) are responsible for this on both Saturday and Sunday afternoons (not before closing time, please.)

We welcome your participation and will work to make it as uncomplicated as possible. This will require you agree to the following:

1. Be present to assist in the set up and take down of original art exhibits and display materials each day we exhibit.
2. Be flexible in the event of rain to be at the display to remove your work and protect it against rain damage.
3. Assist in the general operation of the weekend show, including one hour assisting at the sales table, and marketing the event in advance.
4. Entries must be original works by the exhibiting artist. "Original" means never having occurred or existed before and invented or created solely by the exhibitor. No copies of art or photographs by other persons may be exhibited.
5. Computer modified art must be labeled as such.
6. Giclees and prints may only be offered for sale in bins.

Please use the registration form on the reverse side of this page to participate in this event. Please call Pat Hanlon at (410) 745-8048 for more information.
